**SPECIAL ATTENTION**

This is a CONDOMINIUM PROJECT, not a subdivision. It does not involve the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated a **LIMITED COMMON ELEMENT** and is not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

1. This public report does not constitute an approval of the project by the Real Estate Commission or any other government agency, nor does it ensure that all applicable County codes, ordinances, and subdivision requirements have been complied with.

2. Facilities and improvements normally associated with County approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for, and services such as County street maintenance and trash collection will not be available for interior roads and driveways.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

## **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owner/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged, or encumbered, and they may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

## **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without a vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

## II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

☐ Proposed  
☒ Recorded - Bureau of Conveyances Document No. 2003-192248  
Book \_\_\_\_\_ Page \_\_\_\_\_  
☐ Filed - Land Court Document Number \_\_\_\_\_

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

- B. **Condominium Map (File Plan)** shows the floor plan, elevation and layout of the condominium project. It also shows the floor plan, location, apartment number, and dimensions of each apartment.

The Condominium Map for this condominium project is:

☐ Proposed  
☒ Recorded - Bureau of Conveyances Condo. Map No. 3635  
☐ Filed - Land Court Condo Map No. \_\_\_\_\_

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

- C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

☐ Proposed  
☒ Recorded - Bureau of Conveyances Document No. 2003-192249  
Book \_\_\_\_\_ Page \_\_\_\_\_  
☐ Filed - Land Court Document No. \_\_\_\_\_

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

- D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

☐ Proposed                      ☐ Adopted                      ☒ Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents**

Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

1. **Apartment Owners:** Minimum percentage of common interest which must vote for or give written consent to changes:

	<u>Minimum Set by Law</u>	<u>This Condominium</u>
Declaration (and Condo Map)	75%*	<u>100%</u>
Bylaws	65%	<u>65%</u>
House Rules	---	<u>N/A</u>

\* The percentages for individual condominium projects may be more than the minimum set by law for projects with five or fewer apartments.

2. **Developer:**

- ☐ No rights have been reserved by the developer to change the Declaration, Condominium Map, Bylaws or House Rules.
- ☒ Developer has reserved the following rights to change the Declaration, Condominium Map, Bylaws or House Rules:

**Any time prior to the first recording in the Bureau of Conveyances of the State of Hawaii of a conveyance or transfer (other than for security) of a unit and its appurtenances to a party not a signatory to the Declaration, the Developer may amend the Declaration, the Bylaws and/or the Condominium File Plan in any manner without approval or consent of any unit purchaser.**

### **IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

11. **Conformance to Present Zoning Code**

a. ☒ No variances to zoning code have been granted.

☐ Variance(s) to zoning code was/were granted as follows:

b. **Conforming/Non-Conforming Uses, Structures, Lot**

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>X</u>	<u>          </u>	<u>          </u>
Structures	<u>X</u>	<u>          </u>	<u>          </u>
Lot	<u>X</u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. **Common Elements, Limited Common Elements, Common Interest:**

1. **Common Elements:** Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

☒ described in Exhibit "C".

☐ as follows:

2. **Limited Common Elements:** Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which may use them, as described in the Declaration are:

☒ described in Exhibit "D".

☐ as follows:

NOTE: Land area appurtenant to each unit is not a legally subdivided lot.

3. **Common Interest:** Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☒ described in Exhibit "E".

☐ as follows:

- E. **Encumbrances Against Title:** An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "F" describes the encumbrances against the title contained in the title report dated **September 11, 2003**, and issued by **Title Guaranty of Hawaii, Incorporated.**

**Blanket Liens:**

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

☒ There are no blanket liens affecting title to the individual apartments.

☐ There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. Buyer's interest will be affected only if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit If Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
---------------------	---

**F. Construction Warranties:**

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

NONE

2. Appliances:

NONE

**G. Status of Construction and Estimated Completion Date:**

Unit 1 was completed in 1990. Unit 2 was completed in 1991.

**H. Project Phases:**

The developer ☐ has ☒ has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

#### IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Managing Agent:** When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

- ☐ not affiliated with the Developer  
☐ the Developer or the Developer's affiliate.  
☒ self-managed by the Association of Apartment Owners

**C. Additional Information Not Covered Above**

1) Disclosure re: Selection of Real Estate Broker: This public report shall not bind a purchaser to the sale of any apartment until (1) the Developer first submits to the Real Estate Commission a duly executed disclosure abstract identifying the designated sales agent, and a duly executed copy of a broker listing agreement with a Hawaii-licensed real estate broker, and (2) gives a copy of said disclosure abstract to the purchaser together with a copy of the Public Report. If the Developer, as owner, choose to represent itself in the sale of any apartment, said abstract need not be given to the purchaser, as all necessary disclosures are covered in this report.

2) Disclosure re: Replacement Reserves Study: Mandatory reserves assessments and collection in effect beginning 1994 budget year. The Developer has not had a reserve study done in accordance with Hawaii Revised Statutes Section 514A-83.6 and Hawaii Administrative Rules, Chapter 107, as amended, in that there are no common elements in this project which are going to be maintained by the Association, as reflected in Exhibit "G".

3) Disclosure re: Additional Improvements: As noted in Exhibit "B" of this Public Report, the owner of a condominium unit is permitted to construct additional improvements on said unit's limited common element land area as are allowed by applicable law. In the event that the owner of a unit makes additions to existing improvements and/or constructs any other new improvement(s), it will not be necessary to obtain a Supplementary Public Report for the Project; PROVIDED, HOWEVER, that the Declaration and Condominium Map are appropriately amended to reflect said addition(s), and that copies of said amended documents are provided to prospective purchasers.

4) Residential Dwellings within State Land Use Agricultural District: Purchasers should be aware that the State Land Use Commission issued a Declaratory Ruling in December, 1994, regarding the construction of residential dwellings on properties located within the State Land Use Agricultural District. In response to said ruling, the Hawaii County Planning Department is requiring applicants for building permits on such lands to acknowledge receipt of a "Farm Dwelling Notice". This Farm Dwelling Notice reads as follows:

**FARM DWELLING NOTICE**

*To: Applicants for Building Permits on Land in State Land Use Agricultural District.*

*This is to inform you that Chapter 205, Hawaii Revised Statutes, does not authorize residential dwellings as a permissible use in an agricultural use district, unless the dwelling is related to an agricultural activity or is a "farm dwelling".*

*Farm Dwelling is defined in Chapter 205-4.5(a)(4) as "a single family dwelling located on and used in connection with a farm, including clusters of single-family farm dwellings permitted within agricultural parks developed by the State or where agricultural activity provides income to the family occupying the dwelling."*

*Penalty for violation of Section 205-4.5, Hawaii Revised Statutes, is a fine of not more than \$5,000.00. If any person who is cited for a violation of the law fails to remove the violation within six months of such citation and the violation continues, such person is subject to a citation for a new and separate violation. There shall be a fine of not more than \$5,000.00 for any additional violation.*

### **ALTERATION OF PROJECT**

Paragraph L of the Declaration provides as follows:

**1. By Unit Owner.**

(a) Each unit owner shall have the right at his sole option at any time and from time to time, as hereinafter set forth, without the consent and/or approval of the owner of the other unit or any other persons or entity, to construct, improve, renovate, remodel, make additions to, enlarge, remove, replace, alter or restore the improvements to or in his unit or portions thereof or upon the yard appurtenant to his unit (collectively, the foregoing are referred to as "alterations"). Each unit owner shall have the right without the consent or joinder of any other person to amend this Declaration and the Condominium Map to accomplish any such alterations. If required by the Act, promptly upon completion of such alterations the owner of the altered unit shall duly record such amendment to this Declaration in the Bureau of Conveyances, together with a complete set of the floor plans of such unit as so altered, certified by a registered architect or professional engineer to fully and accurately depict the altered portions of the property as built. If required by the Act, the board shall be deemed to approve of all such alterations. All existing unit owners and all future unit owners and their mortgagees, by accepting an interest in a unit, consent to all such alterations and agree to give and shall be deemed to have given the owner of the altered unit a power of attorney to execute an amendment to the Declaration solely for the purpose of describing the alterations to such unit in the Declaration so that the owner of the altered unit shall hereafter have a power of attorney from all the other unit owners to execute such amendment to the Declaration. This power of attorney shall be deemed coupled with each owner's interest in his unit (including his common interest) and shall be irrevocable.

(b) Any alterations to a unit pursuant to this paragraph L shall be subject to the following conditions:

(i) All building plans for any such alterations shall conform with State and County land use, building and zoning laws and other applicable County ordinances and regulations, as well as the restrictive covenants, if any, described in Exhibit "A".

(ii) Such alterations may decrease or increase the size of the affected unit, provided that no alteration shall extend or place the unit outside of the limits of the yard appurtenant to such unit. All improvements (exclusive of fences, walls and/or driveways) constructed after the date of this Declaration shall maintain a minimum setback of TWENTY (20) feet from all property lines (including all individual limited common element land area perimeter boundaries), or such greater distance as may be required by applicable zoning ordinances.

(iii) All such alterations shall be at the sole expense of the unit owner making the change and shall be completed within one year of the commencement thereof and in a manner that will not unreasonably interfere with the other unit owner's use of his unit or yard.

(iv) Each and every conveyance, lease and mortgage or other lien made or created on any Unit and all common interests and other appurtenances thereto shall be subject to the provisions of this paragraph and any lease of a unit shall reserve to all unit owners the rights set forth in this paragraph.

ESTIMATED MAINTENANCE FEES

The regular maintenance and repair of each unit and appurtenant limited common elements shall be the sole responsibility of each respective unit owner. Section 514A-86, Hawaii Revised Statutes, requires that the association purchase fire insurance to cover the improvements portion of the project. The Declarant anticipates that the association will elect to require each owner to obtain separate fire insurance and liability policies for the owner's respective unit pursuant to Article 7 of the Bylaws. As such, premiums for such policies will be the individual responsibility of each unit owner.

The Declarant estimates that the annual premium for a fire insurance policy covering Unit 1 will be approximately \$907.00 and Unit 2 will be approximately \$410.00.

Declarant hereby certifies that the above estimates of initial maintenance fee assessments and maintenance fee disbursements were prepared in accordance with generally accepted accounting principals.

**SUMMARY OF**  
**CONDOMINIUM DEPOSIT RECEIPT AND SALES CONTRACT**

No sales of the condominium units are immediately contemplated. However, the Developer plans to use the Hawaii Association of Realtors' standard form of Deposit, Receipt, Offer and Acceptance (DROA) as the intended sales contract for the Project when and if sales later commence.

The sales contract contains the purchase price, description and location of the condominium unit and other terms and conditions under which a Buyer will agree to buy a condominium unit in the Project. Among other things, the sales contract (DROA):

1. Provides a section for financing to be completed and agreed to by the parties which will set forth how Buyer will pay the purchase price.
2. Identifies the escrow agent and states that Buyer's deposit will be held in escrow until the sales contract is closed or cancelled.
3. Requires that Buyer must close the purchase at a certain date and pay closing costs, in addition to the purchase price.
4. Provides the following remedies, in the event of default under the sales contract by Buyer:
  - a. Seller may bring an action against Buyer for breach of contract;
  - b. Seller may retain Buyer's deposit(s);
  - c. Buyer shall be responsible for expenses incurred.

Provides the following remedies, in the event of default under the sales contract by Seller:

- a. Buyer may bring an action against Seller for breach of contract;
- b. Buyer may bring an action compelling Seller to perform under contract;
- c. Seller shall be responsible for expenses incurred.

Any awards to the prevailing party in any action are subordinate to escrow's expenses.

5. Allocation of payment of closing costs.

The sales contract contains various other provisions which Buyer should become acquainted with.

Upon examination, the Developer represents that the proposed Sales Contract (DROA) is found to be in compliance with Chapter 514A, Hawaii Revised Statutes, as amended. It is incumbent upon the purchaser and prospective purchaser that he reads the Sales Contract (DROA) with care.

## EXHIBIT "I"

### SUMMARY OF ESCROW AGREEMENT

The Escrow Agreement sets up an arrangement under which the deposits a purchaser makes pursuant to a Sales Contract will be held by a neutral party ("Escrow"). Under the Escrow Agreement, these things will or may happen:

- (a) Escrow will let the purchaser know when payments are due.
- (b) Escrow will arrange for the purchaser to sign all necessary documents.
- (c) The purchaser will be entitled to a refund of his or her funds only under certain circumstances as set forth in the Sales Contract. Escrow agrees to make any refunds as soon as possible after the Purchaser and Seller notify escrow in writing that a refund should be made. No refund will be made to any Purchaser who asks for them unless escrow receives written approval from the Seller. The refunds will be made without any interest unless the Sales Contract contains different instructions.

The Escrow Agreement also establishes the procedures for the retention and disbursement of a purchaser's funds and says what will happen to the funds upon a default under the Sales Contract. In particular, the Escrow Agreement provides Escrow may disburse the Purchaser's funds after: (i) the Real Estate Commission has issued a Final Public Report (the "Final Report") on the project; and (ii) the Purchaser has been given a copy of the Final Report together with a Receipt and Notice of Right to Cancel form which complies with section 514A-62 of the condominium law; and (iii) the Purchaser has signed the receipt and notice form and waived his right to cancel or thirty days have elapsed since the Purchaser received a copy of the Final Report and receipt and notice form; and (iv) the Seller notifies Escrow in writing that, since the things described in (i), (ii) and (iii) above have happened, neither the Purchaser nor the Seller may back out of the agreements they made in the Sales Contract. In the same written notice, the Seller shall notify Escrow either that the time in which the Seller or the Purchaser could back out of the agreements in the Sales Contract has passed, or that the Seller and the Purchaser have said that they will not back out of the agreements in the Sales Contract; and (v) the Seller's attorney advises Escrow that the Sales Contract has become effective and the requirements of Sections 514A-40 and 514A-63 of the condominium law have been met, as provided for in Section 514A-65 of the condominium law; and (vi) completion of the project improvements by the Seller such that none of the Purchaser's money shall be disbursed by Escrow to pay for construction costs.

The Escrow Agreement also establishes the procedure to be followed on the Purchaser's default and in the event of a default on the Purchaser's deposits which procedures, in effect, are as follows: Escrow will notify the Seller and the Purchaser promptly if the Purchaser fails to make a payment or is otherwise in default under the Sales Contract (to the knowledge of Escrow). The Seller will notify Escrow in writing if a Purchaser has defaulted or not done something that the Purchaser promised to do in the Sales Contract. The Seller will tell Escrow in the same letter that, because the Purchaser has defaulted, the Seller is canceling the Sales Contract and will give Escrow a copy of the letter that the Seller delivered in person or sent by registered or certified mail to the Purchaser, telling the Purchaser of the default and cancellation. The Seller will also give Escrow a copy of a receipt signed by the Purchaser or the registered or certified mail return receipt. Escrow will then send a letter to the Purchaser by registered or certified mail, informing the Purchaser that the Seller has canceled the Sales Contract because of the default. Escrow will wait for fifteen days after the date which shows on the return receipt as the date when the Purchaser got Escrow's letter or the date which shows the last time that the post office tried to deliver the letter. If Escrow does not hear from the Purchaser during that time, Escrow may deduct its cancellation fee from the Purchaser's funds and treat the Purchaser's funds which are left as belonging to the Seller. If the Purchaser tells Escrow that the Purchaser has not defaulted or tells Escrow not to do anything with the Purchaser's funds, then Escrow may file an interpleader action to have the disagreement settled by the Courts and deposit the Purchaser's funds with the Court or deliver the funds to the Seller.

The Escrow Agreement contains various other important provisions and establishes certain charges with which a purchaser should be familiar. It is incumbent upon purchasers and prospective purchasers to read with care the executed Escrow Agreement on file with the Real Estate Commission.

### **Additional Farm Dwelling Agreement Instructions**

Attached is the Additional Farm Dwelling Agreement form for your approved application. It is important that you follow these instructions in the completion of the form. Failure to complete and submit a properly completed agreement form to the Planning Department for recordation with the Bureau of Conveyances may cause your Additional Farm Dwelling Agreement to be rejected by the Bureau and delay approval of your application for a building permit for the additional farm dwelling. Building permit applications for additional farm dwellings will not be approved by the Planning Department until the AFDA form and the required submittals specified below have been returned to the Planning Department. You may make as many copies of the AFDA document for your records as necessary. A copy of the final recordation page will be available from the Planning Department when received back from the Bureau of Conveyances upon request.

1. All persons in the "First Party" must sign before a Public Notary in the appropriate location on the signature page (Page 5). Photocopies of this page may be made and sent to any persons listed on the page whose notarized signatures are required and then attached to the agreement document along with the original signature page. Facsimiles or FAX copies of signatures will not be accepted.

**Note:** All signatures must be the same as the typed name. Therefore, if John L. Doe is the name typed the signature must also be John L. Doe. Signing John Doe or Jonathan L. Doe will cause the agreement document to be rejected by the Bureau of Conveyances for recordation purposes.

2. Enclose a check or money order in the amount of \$25.00, made out to the Director of Finance, for the Bureau of Conveyance recordation fee.
3. Return the original completed AFDA document with all required signatures and the recordation fee payment to the Planning Department for the Director's signature and submittal to the Bureau of Conveyances for recordation.
